British Values

Workshop

AUDIENCE

Senior Leaders, Aspirant Leaders, Subject Leaders & Middle Leaders

Corrine Guntrip, Religious Education Specialist Leader of Education, will be hosting this event open to all leaders.

The session will be based upon British Values, and is suitable for participants at any point in developing this within their primary school settings.

The session will focus on:

- Defining British Values
- Policy and guidance
- What is the role of British Values within the curriculum
- Monitoring the effect and impact of British Values within a setting

- How British Values, Prevent and RE support each other

There will be an opportunity for leaders and teachers to be able to discuss with other participants what is currently happening in their primary school, share and gain ideas about good practice, and consider next steps for their settings.

This event is suitable for participants who require support in understanding the role of British Values, British Values within the curriculum and how to monitor the effectiveness of British Values.

British Values ensure young people understand the importance of respect and leave school fully prepared for life in modern Britain."
