I believe God is full of love.	**I believe we can all share one planet equally**	**I believe that humans are mostly selfish**	**I believe that science can solve our human problems**
I believe kindness is more important than money	**I believe you have to look after yourself first in life**	**I believe that the future will be better than the past**	**I believe that the main point of life is to have fun and be happy**
I believe animals matter as much as humans	**I believe that different religions can all lead to God**	**I believe that God has sent many Prophets to earth**	**I believe that everything happens for a reason**
I believe when we die then we will meet God	**I believe that Jesus shows humans the best way to live**	**I believe in angels**	**I believe that you only live once. This one life is all we have.**

BEYOND BELIEF

STRONGLY AGREE

Discuss all the different beliefs one by one, and take turns to place them on the grid. You can move one up or down when it is your go, as well as adding a new one.

You will not all agree!
